Cub Water Activity Day

You will complete four bases, each lasting about an hour. These will usually be sailing, Bellboating, rafting and water safety; although this may be changed depending upon the weather. The Nautical Skills Stage 2 badge will be covered and included. The day will also qualify for a Time on the Water badge.

When: Choose from the following course options:

[A] Sunday 10th May
[B] Sunday 21st June
[C] Sunday 20th September

We start at 10:30am and finish at 3:45pm each day.

Cost: Only £22 per Cub which also includes the badge. Invoice for group bookings to be paid 6 weeks before the visit to confirm numbers and allow us to arrange staff.

All Cubs must be able to swim 50 metres and be confident in the water. (These are the Scout Association rules to take part in water activities.)

How to book: Cub Water Activity days are open for individual Cubs to book and also for leaders to book for their Cub pack. Application forms are available to download at www.greenwithens.org.uk.

E-mail bookings@greenwithens.org.uk for further enquiries.

Group Bookings: Due the popularity of the Cub Days, a booking enquiry will be pencilled in and held for 4 weeks. The group booking form should be completed by the leader and sent to bookings@greenwithens.org.uk to confirm the number of Cubs participating, within the four weeks. This form should contain a list of Cubs from the group who wish to attend, which will confirm the number of places reserved. Full payment for the booking should be made at least six weeks before the date booked.
